

Questions about Chinese Immersion? Join us at our Parent Information Fair!

Tuesday, November 12

5:30-7:30 p.m.

Eisenhower Community Center

1001 Highway 7, Hopkins, MN 55305

Hopkins Public Schools has an amazing Chinese Full-Immersion program — starting in Kindergarten with XinXing Academy — and we want you to learn more! Get all your Chinese immersion questions answered in one spot, one night.

Come to our Chinese Immersion Information Fair to:

- **Talk with parents** with children currently in our Chinese Immersion program. Ask them questions and get a genuine parents perspective on the realities of an immersion program.
- **Learn more about the future** — how the immersion experience continues into Hopkins West Junior High. Our director of curriculum and junior high principal will discuss Hopkins' commitment to Chinese programming and our long term vision, along with kindergarten choices.
- **Talk to our teachers.** They'll have examples of Chinese curriculum, students' work, and visuals of classroom instruction.
- Learn how English curriculum fits into our immersion experience.
- **Meet parents in Bei Dou Xing**, our Chinese immersion parent group, to learn more about the cultural trip to China and Bei Dou Xing events.
- Bring your **immersion programming questions** to our Eisenhower+XinXing principal.
- Learn about the many **Chinese Cultural** and youth enrichment opportunities available to XinXing students.

Sponsored by Bei Dou Xing in partnership with the Hopkins Public Schools.
